

GLDF-300 TARIFF

ITEM 345 - ARRIVAL NOTICE AND UNDELIVERED FREIGHT

1. After a shipment's arrival at the carrier's destination terminal, notice of arrival will be given by:
 - a. Actual tender of delivery at the consignee's place; or
 - b. Telephone, if convenient and practical; or
 - c. Written notice, including facsimile or telegraph.
2. If freight cannot be delivered because of consignee's refusal to accept it, or because the carrier cannot locate the consignee, or because of an error or omission on the part of the shipper, the carrier will make a diligent effort to notify the shipper promptly that the freight is in storage.
3. When transmitted by mail or telegraph, the notice will be deemed to have been received at 8:00 a.m. the first business day after it was mailed or telegraphed. If notice is given by telephone or facsimile, the carrier's record of the date and time will govern. If written notice is by certified mail, the date of the shipper's or consignee's signature will determine the arrival notice date.
4. Instructions issued prior to tender of delivery, such as notations on the bill of lading, will not be accepted as authority to reship or limit the storage liability of an undelivered shipment.
5. Undelivered freight - If GCF cannot deliver the freight through no fault of its own, the shipment will be subject to applicable storage or detention charges.
