ITEM 770 - PREPAYMENT OR GUARANTEE OF CHARGES

1. A shipment on which charges are to be paid by a party other than the consignor or consignee will be accepted provided that the consignor has established credit with the carrier picking up the shipment at origin and guarantees to pay the charges if the third party fails to do so. Such shipment will not be accepted if the consignor executes Section 7 of the bill of lading.
2. If, in the judgment of GCF, the forced sale of the goods would not realize the total charges due at destination, the shipment must be prepaid.
3. If a shipment is required by paragraph 2 hereof or by any provision of the governing classification to be prepaid, it will be accepted on a collect basis if the consignor has established credit with GCF and the consignor guarantees to pay the charge if the consignee fails to do so. Such shipment will not be accepted as a collect shipment if the consignor executes Section 7 of the bill of lading.
