

GLDF-300 TARIFF

ITEM 900 - STOPOFFS

Shipments weighing or rated as 10,000 pounds or more may be stopped at multiple locations to complete loading (also known as "split pickups") or for partial unloading ("split deliveries"). Stopoffs for unloading will not be provided on COD shipments. All freight charges must be prepaid.

Stopoff service is only available to points within the same terminal, and will be billed at \$75 per additional stopoff. This service is provided at the discretion of the carrier and must be preauthorized in writing by the carrier prior to pickup.

Stopoffs not preauthorized by the carrier may be handled and billed as separate shipments at full class rates.
